25X1 MEMORANDUM FOR: [REDACTED]
Chief, Management Information Services
Operations and Maintenance Division/OD&E
25X1 FROM: [REDACTED]
Chief, Administrative Staff/OS
SUBJECT: Wang Alliance Central Processing Unit (CPU)

25X1 1. It is requested that your office loan a Wang Central
Processing Unit (CPU) to meet a "time critical" requirement for
Wang support in our Security Education Staff. It is our
25X1 understanding that your move [REDACTED] may result
in a temporary lack of need for some of your CPU's.

25X1

25X1 2. It is recognized that your move date dictates when this
equipment will be available. Please advise me at your earliest
convenience if you can assist OS in meeting our priority for a
Wang CPU.
